Public Comment on the Agenda Items: None

Treasurer Report:

- Tax bills have gone out.
- The township CD was due and as discussed in June, deposited at State Savings.

Clerk Report:

- Sexton ad placed in the Advisor for two weeks.
- A design meeting for the new website was held on June 29. A mock-up of the website will be ready in 6 – 12 weeks.
- Election notices were posted. Mueller election inspectors will be responsible for the August 2 early voting day.
- A new township marijuana application was drafted. Treasurer Lee made a motion to approve the draft form; second by Supervisor Pfeiffer.

Trustee Report, Trustee Fischer

- The light pole work is completed.

Trustee Report, Trustee Theodorski:

- The key to the door lock is not working.
- Newspapers ads for the availability of the hall for rental are done.

Supervisor's Report:

- Budget spreadsheet was provided to board members.

- Grant Progress Update. DNR progress report 8 submitted and approved. The project is set to start on July 20.
- Wickwire progress report 8 is processed and will submit with 7.
- UPPCO reviewed our request and there will be no cost to move the meter.
- DNR approved our signage and landscaping plans. Both vendors have been paid half down.
- Adult use marijuana ordinance review is complete.
- Board of Review is scheduled for 21 July at 3:00 p.m. for clerical errors, mistakes and other errors.
- Update on McDonald Lake Assessment status. Drain Commissioner had no reply, no update.

Dam Maintenance Report. The dam is controlled by Schoolcraft County Drain Commissioner.

County Commissioner Report: County Commissioner not in attendance.

Road Commissioner's Report: Road Commissioner not in attendance.

Sexton's Report: The position is still vacant.

- Dale Lee said that he would help.

Assessor's Report: Assessor not in attendance. No report.

New Business: There is a downed tree on the property.

Old/Unfinished Business:

-

Public Comment: Janice Hooker from Schoolcraft County Opioid Taskforce offered comments. Trying to help the opioid crisis in our area. First Tuesday of every month they have meetings for people affected by the drugs in this area. Request for Proposals (RFP) for projects up to \$10,000. The goal is to support local efforts that address substance use, overdose prevention, treatment, harm reduction, or recovery.

Schoolcraft conservation district has upcoming mileage that will not change your taxes. It's already on taxes just a renewed mileage. Our conservation district uses the money for such things as clean up stations at boat launches, deer habitats like the one on Quarry Road. They do a plant sale in the spring and bring money in with the Looking at the Warblers in the spring.

Meeting adjourned at 5:33 pm. Next meeting 12 August 2026.
